Congratulations, Ruth!

Bev Hindman, our 2017 Quilting Treasure, takes to admirers about her exquisite quilts on display in her booth.

The quilt block challenges: each heart must use some of the focus fabric and include a heart. Pieced blocks are on the left; the appliqué blocks are on the right. The hand and machine quilting challenges (not shown here) needed to be worked on the challenge fabric and feature a flower.

The Demos were ever popular. Here Diane Cresap shows what you can do with a wedge ruler.
