Approved March 18, 2021

Due to the continuing Covid-19 pandemic, the Quilt Guild is doing a monthly education meeting via Zoom, until we can meet together again.

Call to Order:

Guild president, Jeannette Hanson, called the meeting to order at 7:00 PM.

Education:

Jeannette introduced Leann Winder for our education meeting on how to make an Origami Bag.

If you wanted to make one along with her you needed:

Sew two 12 inch blocks, right sides together with a 1/4 inch seam around the outside edges, leave a 2 inch opening to turn, trim corners and turn right side out and press, a couple of pins, a small ruler for measuring 6 inches and if you want to make notes a pencil and note paper.

Leann presented the different steps to make the bag.
