Approve Minutes: A motion was made by Celia to approve the April 7th 2026, Board minutes, Candice seconded, and the Board passed them.

President:
Bus trip costs may need to be increased. With gas prices so high the rates for buses have changed. Last year was around 1600 and the guild paid 600 for it. If we do the bus trip it will be Sept 19th. Cost of the bus may be as much as 400 dollars more if we did the same route. Price would need to increase to about 60 dollars per person. Need to be announced soon so people can start saving. Christy will price the 35 passenger and 50 passenger buses. A mention needs to be on the website and on the newsletter.

Vice President report:
The education for May was amazing. Jessica did a great job and ended up joining the guild. Kathy and Serena will be the education for June. It will be on how to preserve and take care of quilts. July still needs an education. Celia is going to ask Alicia. September education may be "Some kind of wonderful".

Treasurer Report:
The computer being used for the accounting completely died, but Candice was able to have someone pull the files off. She may need the software from Jodie V. Venmo was created as an "organization". A phone number needs to be created specifically for the guild to attach it to the Venmo account. Wendy will try to figure out how to do a Google number for this purpose.

Christy asked Candice for a balance sheet next board meeting.

COMMITTEE REPORTS:

Community support:
Lots of service hours have been turned in. Christy would like to have a giveaway for those who have high hours or maybe as some kind of raffle.

Equipment:
Portneuf is using the stands in October, we are still waiting for the deposit checks to come.

Rigby wanted info on how to hang the quilts on the bars. They can either do it with a sleeved quilt with a pole and s hooks. Any other hanging style will be up to them. Our racks come with the bars and s hooks.

Payment is due on the storage unit at the end of June. That is roughly 1200 dollars.

Intraguild:
The raffle block for June is "eye spy". Fat quarter raffle will be red, white and blue.

Stocking swap is due in July. September is the ugly fat quarter.

Membership:
We currently have 125 members with 20 not paid.

Newsletter:
Items for the newsletter need to be in no later than midnight on Saturday the 6th. Jodie has asked for more info to be put in. Maybe highlighting a store, challenge etc.

Raffle:
The Raffle has been right around 200 dollars a month. Maybe that will increase when Venmo is announced.

Secret Quilter:
Everything seems to be going well. Susan is keeping an eye on a couple of people that have only received a couple of gifts so far. Tami King will be asked to hold down the fort at the June meeting.

Sunshine:
Robin Tate has sent out several cards to visitors and new members, and a few to those in the guild who were brought to her attention. She has also been sending out thank you cards to the educators.

Webmaster:
Pretty much all updated with a few of the minutes needed and maybe the shops updated.

Retreats:
Connie was not in attendance, but last count was 14-16 signed up.

Sew ins:
The chicken bag class is still full and will be held on June 20th.

Market bag class by Melinda will be held at Jones on August 22nd.

Quilt-in dues need to be paid by September 1st.

There will be a possible sew day in July for those who picked up the Malad surprise bags during last years bus trip, with show in tell at the August meeting.

Other Business:
The quilt show is gaining a bit of momentum in interest. Committee chairs will need to be signed up for. There should be binders in the storage unit on how to run one. Some members may have a couple of those books at home. Pocatello guild has offered a run down on how to do one as well.

The next board meeting is to be held July7, 2026 at Christy's house from 6:00 to 8:00.

The meeting was adjourned at 7:30 PM.
